Kelsha L
Mrs Brown Kelsha that is a lovely piece of writing for the Eisteddfod. I like your drawing of Welsh articles as well. If you have time why don't you draw some more, perhaps a daffodil, a red dragon or some leeks. They are all associated with Wales and would look really good.
Mrs Brown Kelsha Your house is GELERT.
Kelsha L Thank you Mrs Brown I have edited my post

Tilly. The light you have included is so important to a lighthouse.
Well done Tilly.

This is my model of the lighthouse for the lighthouse Eisteddfod task. I made part of it out of a marble run as well.

Mrs Brown
Mrs Brown Jenson. What a great model of Penmon lighthouse. Did you enjoy building it. I used to have a marble run game for my children and they loved it. Penmon lighthouse is in Anglesey perhaps one day you could go to see it.
