

SUAVE WORD DITTY

Dazzle

So bright, the light of the sun in my eyes,
It **dazzles** so I can't see...

So lovely, the harvest moon at night,
As **dazzling** as can be.

So famous, the actor in my favourite film
I'd be **dazzled** if I shook their hand...

And I'm dazzled by the sight of the festive lights
And the Christmas tree, so grand!
