

SUAVE WORD DITTY

Cherish

Name three things that you **cherish**,

Things you hold so dear.

Special things that you adore -

That fill you with good cheer.

Shout each out loud

As I count three...

And I'll shout mine

As you shall see.

I **cherish** the love of my family

I **cherish** my adorable puppy

I **cherish** all the children I see

Those are my **cherishes**, one, two and three.
