

SUAVE WORD DITTY

Livid

My teacher's **livid** 'cos I'm late...
But I got trapped in the stuck school gate.
My mate's **livid** 'cos I lost his boots
And now his trainer flies off whenever he shoots.
My Gran is **livid** 'cos I bust her TV.
So what happened in her show is a mystery!
I must confess my life's a mess
'Cos everyone is **livid** with me!
