

SUAVE WORD DITTY

Spurn

Don't **spurn** my idea...

Don't tell me 'No'.

I said let's go out – to the park we can go.

We could laugh and play

And have lots of fun,

And eat fish and chips

When the day is done.

What's that? You're coming?

You'll go there with me?

Oh no! Wait...

I want to watch TV.
