

SUAVE WORD DITTY

Fury

Mum is in a **fury**, why's she so cross with me?
All I did was feed the dog the food she'd made for tea.
Dad is in a **fury**, what's made him mad?
I didn't mean to put salt in his tea and make it taste so bad.
Everyone is **furious** with poor old little me...
And I am such a good, sweet child
As everyone can see.
