

SUAVE WORD DITTY

Mayhem

It's **mayhem** on the playground,
Kids leaping everywhere;
Screaming and shouting at their friends,
And racing here and there.

It's **mayhem** in the classroom,
Kids climbing on their chairs!
They're throwing stuff all over,
Ignoring the teacher's glares.

It's **mayhem** on the streets,
As the kids race home to play...
Are we worried they're out of control?
Oh no! It's just a windy day!
