

SUAVE WORD DITTY

Taunt

Taunting a friend is not very nice,
It's cruel to **taunt** and tease...

Be kind to your buddies, be caring and true
And always try to please.

Don't **taunt** your sister, she'll be so sad,
Don't **taunt** your brother, you'll make him mad.

Don't **taunt** your teachers, they may shout...
Being good friends to all
Is what it's about.
