

Sunday 22nd March 2020

New communication from FCC - we will action this list tomorrow.

Dear Parents and Carers,

We received a large number of communications from Flintshire County Council yesterday.

As I said yesterday too, we will be dealing with these **tomorrow morning** in regard to the updated Key workers status.

I would really appreciate your patience and understanding with this.

I have attached the new updated key worker list.

Please look over this list and email us **tomorrow if you believe you are now on the list with the two key workers status, or single parent key worker status.**

Remember

To limit the spread of COVID-19 it is important that, as far as possible, social contact is minimised.

Parents need to keep their children at home wherever possible and schools/settings should be open only for those children who absolutely need to attend.

Only children whose parents are critical to the Covid-19 response should be offered places in schools/settings when there is no safe, alternative provision, as per new list.

As per email on Friday, we did state that changes may happen quickly with regard to communications linked to Covid 19 and I will endeavour to communicate these to you accurately and not to bombard you with information that is inaccurate either.

I will not be picking up emails today. I will need to prepare the Westwood offer to support you to the best of our capacity. We always have your best interests at heart and I hope you will be supportive, as the wonderful family we are.

Happy Mother's Day

Stay safe and stay strong

Mrs Williams and Team Westwood
