

Westwood CP's Stay at Home Remote Party

8th May, 2020

**You are invited to join us remotely for
VE Day – Friday 8th May**

At Westwood CP, we are planning to celebrate VE Day remotely to commemorate 75 years since Germany's unconditional surrender and the end of WW2 in Europe by throwing an unforgettable remote party!

11 a.m. 2 minutes silence on your door step

Then, get your chef's hats on and get ready to bake!

Scones, a tasty Victoria Sandwich or fairy cakes are always a good choice

After baking and clearing up, decorate your house with red, white and blue flags

1pm prepare your lunch, quarter up some homemade sandwiches, put out a few nibbles and plate up your freshly baked cakes from the morning.

1:30pm sit on a blanket or a picnic mat in your home, or your garden, to enjoy your Remembrance Day picnic. Remember to put some war time music on and play some party games like Hide and Seek, Hopscotch or Jump Rope.

2:45pm: Watch Sir Winston Churchill's famous victory speech, showing on BBC One

Afterwards: Warm up your vocals and sing a few war time songs, perhaps a bit of Vera Lynn - We'll Meet Again or White Cliffs of Dover

Indoors or out, make your voices heard

Tweet, ring or Facetime your neighbours and families in advance- maybe they will join in the fun and celebrations too, from their own homes or gardens of course.

Let's get Buckley singing, dancing and celebrating in true traditional Westwood style.

We'll be doing it with you! **Remember** to tweet or email your photos and video clips to Westwood for sharing, or alternatively upload them to your child's SeeSaw account.
